Nicholas Martinez

CAREER OBJECTIVE

To obtain a summer internship in computing where I can gain experience to prepare for a future career in software development.

EXPERIENCE

Kroger, *e-Commerce Clerk*

JUNE 2021 - PRESENT

I'm currently employed as an e-Commerce Clerk at the Kroger in my hometown. The responsibilities of my job vary widely as I am often tasked with assisting in other departments due to my strong work ethic and ability to learn new tasks relatively quickly. My responsibilities include processing and fulfilling customer orders, customer service, and assisting other departments.

Self-Employed, *Tutor*

SEPTEMBER 2019 - MARCH 2020

I managed my own tutoring service in which I provided supplemental instruction in STEM subjects to my clientele. I primarily specialized in computer science, physics, algebra, and precalculus instruction.

Raising Cane's Chicken Fingers, *Crewmember/ Trainer*

JUNE 2019 - SEPTEMBER 2019

In the short time I worked this seasonal job, I became certified as a trainer and was often placed in charge when a manager was not present. My responsibilities included: training, food preparation, food presentation, cooking, cleaning, and customer service.

Franky's Gourmet Hot Dogs, *Shift Leader/Cook*

NOVEMBER 2017 - SEPTEMBER 2018

I was in charge of running the stand/ kiosk when a manager was not present. My responsibilities included: training new employees, taking inventory, food prep, sanitation, and customer service.

EDUCATION

Texas A&M University, College Station

BS in Computer Science, Minor in Business

AUGUST 2020 - May 2024 (EXPECTED)

Current GPA: 3.642/4.0
Aggie Hispanics in Computing member
HowdyHack participant

Relevant Coursework:

Discrete Structures for Computing, Intro to Computing, Intro to Program Design and Concepts, and Engineering Lab I Computation

Cy Woods High School, Cypress

AUGUST 2016 - MAY 2020

Graduated with high honors
UIL computer science competitor
Texas TSA state competitor
